

Separately Chargeable Drugs List

Also known to customers as: List of specialist drugs

Important information for providers only

Listed below are the drugs which may be billed in addition to the charges that have been agreed as part of current hospital contracts.

Drugs marked with * are those which may be charged separately when used as part of eligible treatment for cancer only.

All separately chargeable drugs require pre-authorisation, we ask providers to call Bupa Provider Services on 0345 755 3333. Lines are open 9am to 5pm, Monday to Friday (calls may be recorded and may be monitored).
